

Exhibit 2

REFORM + RESOURCES = RESULTS

Assembly School Aid Proposal

Assembly Approach

The Assembly is committed to ensuring that every school district in the State receives the resources it needs to provide a quality education.

The Assembly proposal fulfills our constitutional and moral obligation to provide all of New York's children with a sound basic education, as our State's highest court has ordered.

Assembly approach creates a formula to address the cost of providing a sound basic education.

Establishes a foundation formula approach, similar to the Regents, that provides transparent, predictable School Aid, thereby allowing districts to plan their budgets. A foundation formula, coupled with two-year School Aid budgeting, will provide the stability and predictability for which school districts have been asking. This reform initiative provides for a functioning, comprehensive Operating Aid formula.

Formula reflects regional cost, student enrollment, student need, and school district fiscal capacity.

Provides an increase of \$6.1 billion in State funding in order to provide all children with the opportunity for a sound basic education to be phased in over a five-year period.

Formula targets 86.47 percent of the funding increase, or \$5.245 billion, to high need school districts. New York City will receive 63.86 percent of the new funding, or \$3.873 billion in additional funds.

All school districts will receive at least a minimum year-to-year Operating Aid increase through the new foundation formula.

This approach delivers funding to address the Court of Appeals decision by supporting smaller classes, attracting and retaining quality teachers with competitive teacher compensation and training opportunities, and providing enriched learning opportunities in order for students to meet the Regents Learning Standards.

Capital Funding

Funding for a statewide capital grant program is dedicated from revenues derived from currently authorized VLTs. The dedication of \$240 million in VLT revenues will leverage a \$2.2 billion capital program beginning in 2004-05 to meet school infrastructure needs statewide.

Funding is targeted to needy school districts based on poverty measurements.

New York City will receive \$1.3 billion in capital to fund the State share of the first year of its new capital plan.

Continues over a five-year period other educational programs within General Support for Public Schools (GSPS)

Maintains reimbursement of school districts' expenditures for expense-based aids including BOCES, Transportation, and Building Aids.

Maintains State support of programs for disabled children by providing reimbursement for Public and Private Excess Cost Aid.

Provides aid for students with limited English proficiency.

Funds Universal Pre-kindergarten programs and provides support for after-school Extended Day – School Violence Prevention programs.

Provides State aid for instructional materials, including library materials, textbooks, and instructional technology.

Continues support for professional development programs.

New York City will be expected to provide an enhanced local contribution.

We will also be asking New York City to make a commitment to an enhanced maintenance of effort. The City should contribute an additional \$1.2 billion over the next five years to be targeted in ways that will support innovative programs which directly impact student achievement. Such programs may include teacher recruitment and retention initiatives, professional development activities, and creative approaches to attract teachers to teach in high need schools, such as school enterprise zones.

Accountability measures are enhanced to ensure increased achievement by all students.

The Assembly proposal seeks to strengthen and support the accountability measures that have been instituted by the Board of Regents and the State Education Department. These provisions which have been adopted require specific measures for meeting standards, yearly progress, and a thorough planning and reporting process. What is missing is the financial support to ensure that the information collected will be translated into implementation of best practices by school districts that have been identified as needing assistance in meeting standards. We will provide that support in the form of resources for training, technical assistance, and increased staffing necessary for school districts to make the changes that they need to succeed.

Increases School Aid for School Year 2004-05 by \$1.223 billion.

Utilizes a foundation formula approach beginning in the 2004-05 School Year. Establishes a new Operating Aid formula that generates an additional \$784 million in 2004-05.

In addition, Governor's proposed cuts to BOCES Aid, Transportation Aid, Public and Private Excess Cost Aid, Building Aid, and Teacher Support Aid are restored. Aid for students with limited English proficiency is increased by over \$94 million.

Assembly Reform Proposal: 2004-05

In the Assembly plan, a foundation formula approach is utilized, which will provide transparent, predictable school aid and allow school districts to plan their budgets accordingly. This reform initiative provides for a functioning Operating Aid formula that reflects regional cost, student need, and school district fiscal capacity.

The Assembly proposal will increase School Aid by a total of \$1.223 billion in School Year 2004-05 over School Year 2003-04. The State Fiscal Year 2004-05 impact is \$875 million.

The Assembly proposal will increase Operating Aid by \$784 million. There are several consolidations of existing formulas into the new proposed Operating Aid. These include:

- *Comprehensive Operating Aid*
- *Extraordinary Needs Aid*
- *Reorganization Operating Aid*
- *Growth Aid*
- *Tax Limitation Aid*
- *Educationally Related Support Services Aid*
- *Summer School Aid*

In addition, there are other traditional aid categories within General Support for Public Schools where we restore the Governor's cuts and which are either continued or increased in the 2004-05 school aid run. These include:

- *Universal Pre-Kindergarten Aid*
- *Class Size Reduction Aid*
- *Minor Maintenance Aid*
- *Full-Day Kindergarten*
- *Public Excess Cost Aid* - - restores the Governor's cut of \$74.93 million
- *Private Excess Cost Aid* - - restores the Governor's cut of \$29.64 million
- *Transportation Aid (including Summer)* - - restores the Governor's cut of \$63.16 million
- *BOCES Aid* - - restores the Governor's cut of \$45.23 million
- *Limited English Proficiency Aid* - - provides a \$94.25 million increase that is tied to the new foundation formula
- *Building Aid* - - restores the Governor's cut of \$51.81 million
- *Building Reorganization Aid*
- *Special Services Aid*
- *Hardware Aid*
- *Software Aid*
- *Textbook Aid*
- *Library Materials Aid*
- *Teacher Support Aid* - - restores the Governor's cut of \$44.99 million
