CFE Analysis of NYC DoE Contract for Excellence Funds 8-15-07

The dollars expended at the school level for Contract For Excellence Funds totaled \$224,660,014 for 857 schools, which does not include the \$33 million allocated for the Districtwide Initiatives.

Methodology

The Contract documents on the NYCDoe website do not show a school-level distribution of the \$225 million based on poverty and performance. As a result, to conduct our analysis, we extracted data from various sources: for the poverty data we utilized the Excel document NYCDoe issued with the May 8, 2007 Fair Student Funding announcement and also used the New York State Report Cards; for the 2007 ELA data we utilized both the New York State Education Department website and the 2007 ELA results on the DOE website; for graduation rates we utilized the 2005-06 New York State Report Cards; for ELL we utilized the Excel document NYCDoe issued with the May 8, 2007 Fair Student Funding announcement. Since NYCDoe combined elementary, middle and high schools on the Contract for Excellence spreadsheet without distinguishing between them, and we do not have adequate information to separate the schools into these categories, we are calculating our results both against the total number of schools and against schools for which we have similar data.

To help distinguish important information we have utilized the following color coding: Green highlights high performing schools that either have 2007 ELA results \geq 70% of the students performing at Level 3 and 4 OR \geq 55% of the students graduating within 4 years; Yellow highlights schools that were added to the C4E list that were not included in the Fair Student Funding list issued on May 8, 2007; Red highlights the schools that were on the original May 8, 2007 FSF list but have now been removed from the C4E list; blue highlights high performing schools that have been added to the list that either have 2007 ELA results \geq 70% of the students performing at Level 3 and 4 OR \geq 55% of the students graduating within 4 years.

Schools with ELA \geq to 70% and Grad. Rate \geq 55%
